

	Search Text
1	(cross adj over adj current or crosssover adj current) and (current power) near3 leak\$4 and @ad<"20030902"
2	(current power) near3 leak\$4 and gate with (area) and @ad<"20030902"
3	(current power) near3 leak\$4 and gate with (area) and (multiplied multiplying multiplier multiplies multiplication) @ad<"20030902"
4	(current power) near3 leak\$4 and gate with (area) and (multiplied multiplying multiplier multiplies multiplication) and @ad<"20030902"
5	(current power) near3 leak\$4 and gate same (area) same (sum\$5 total add\$4) same (multiplied multiplying multiplier multiplies multiplication) and @ad<"20030902"
6	(current) near3 leak\$4 and (multiplied multiplying multiplier multiplies multiplication) same (leak\$5 coeficient) same gate same area and @ad<"20030902"
7	capacit\$6 same (switch\$4 character\$6) same (node point)
8	(cross adj over adj current or crosssover adj current) and (current power) near2 switch\$4 and @ad<"20030902"
9	(cross adj over adj current or crosssover adj current) and (current power) near3 leak\$4 and @ad<"20030902"
10	(current power) near3 leak\$4 and gate with (area) and @ad<"20030902"
11	(current power) near3 leak\$4 and gate with (area) and (multiplied multiplying multiplier multiplies multiplication) @ad<"20030902"
12	capacit\$6 same (switch\$4 character\$6) and (cross adj over adj current or crosssover adj current) and @ad<"20030902" and leak\$4 with current
13	capacit\$6 same (switch\$4 character\$6) same (node point) and (cross adj over adj current or crosssover adj current) and @ad<"20030902"
14	(cross adj over adj current or crosssover adj current) and (current power) near3 leak\$4 and @ad<"20030902"
15	(cross adj over adj current or crosssover adj current) and gate with area and @ad<"20030902"
